## Manager review requested

DECISIONS, RECORDED

# Accountability through traceability

**$145**

Refunds this month

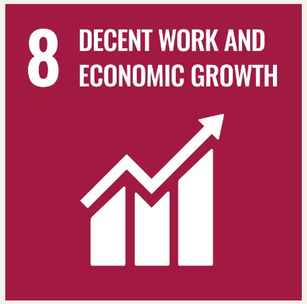

**6**

Recorded actions

Decisions and recurring service issues, visible in one place.

PART 4 · IMPACT

# CoSolve and the SDGs

Reduces repetitive administrative work and supports more efficient business operations.

Uses digital tools and AI-assisted workflows to modernize complaint management.

Helps businesses monitor compensation costs and identify recurring service or product issues that may lead to waste.

Promotes transparent, accountable decision-making through clear policies, appropriate approvals, and traceable records.
